The specific details aren't in place as yet, but you can be assured the plans will include a wonderful gathering of '57 classmates for a casual weekend of fun together! Can we count on you to consider attending our reunion in 2012?

If so, the committee would welcome your input!! For instance, would you be interested in golf, a Friday evening pre-function, only a Saturday evening gathering, a Sunday brunch or picnic, all of the above? Do you have other suggestions? We're ready to hear from you as we look forward to another '57 gathering!
