Anthony's Shilshole Bay in Ballard

For the record, we had another great turnout for our quarterly dinners, particularly since this one runs close to the busy start of the holiday season. Twenty-five classmates and significant others showed up for a festive evening.

At this dinner we were graced with the appearance of three new comers (now there is a pun, here). The new attendees included:

Judy Ann Betts/Riley & husband Ken,
Pat Kinley, and
(you got it yet?)
Gerrie Woodward/Comer.

Great fun welcoming them to the festivities.

Others who attended included: Allen Lester, Don Giles, Ed & Joan Schnebele, Gary Anderson & Patty Bickley, Jan Kirtley/Hannaford & Bob, Jim and Peggy Padden, Meri Gundram/England & Don, Pat Wilson/Faller, Penny Walter/Barker, Sharon Osborn/Hansen & Les Friesen, Skip and Shirley Daniel, Steve & Sharon Martin, and Vick Weiss/Foreman.

We had a great time once again in the Bay Room which is now beginning to feel like home. Discussions focused on the December events supporting the Forgotten Children's Fund:

- 1.) We need volunteers to wrap presents for FCF Santa visits; and
- 2.) Get your registration in for Virginia V Christmas Cruise benefiting FCF.

Missed you all who couldn't make it. See you at the next event.
