

Griz'58 Contributes Talent & Skills in Support of the

Forgotten Children's Fund

Christmas Wrapping Party December 16, 2009

Thanks to Gordy Fouts for introducing us to this charitable project. Gordy has been working with this group for years and knew we would have a great time helping in this "Christmas Season" effort.

We had a good turn-out for this Special Event and all who joined in agreed that we need to make this an annual function. We gathered at mid-day and were each assigned a family. We picked presents for children and adults, wrapped, tagged and prepared bags for delivery on Christmas. All the supplies we needed were there, we just had to do the fun getting the gifts ready. Great team spirit, and a good holiday event.

Kudos to Gordy Fouts for seeing that we kept on track and Duff Andrews for getting our instructions straight. At one confusing point when some of us seemed a bit befuddled, we told the organizer's that we were from Lincoln.

Thanks to all the wrapping talent: Pat (Standard) Woodhouse, Meri (Gundram) England, Pat (Wilson) Faller, Linda Sue (Vieth) Storbakken, Jim & Peggy Padden, Ed & Joan Schnebele, and Vicky (Weiss) Foreman.

Sorry no participant pictures – there were plenty of opportunities for humorous actions shots, but I forgot the camera.
