

## First Ever John Hay Class 1955 Reunion QA Class '60

It was a huge success. Fifteen of us gathered at Mukilteo Ivar's for our first ever reunion lunch. Below is one group shot and a few candid's I took. Please send me any you took and feel free to ask for any of these photos sent to you in larger format. It was still frustrating not to get to talk to everyone in more depth, but we all renewed some old friendships and had fun reminiscing about the (g)olden days on Queen Anne Hill. There is definitely a desire to do this again and to try to get some of the people who couldn't make this date. We missed you!
