By Sandy (Johnson)  
Krutsinger '65

Salmon has once again become available as an entrée for the lunch this spring. Please see the entire new menu on the registration coupon. An earlier date of **Saturday, April 20** has been scheduled. Also, due to its popularity at the fall luncheon, it has been decided to bring back the 50-50 cash raffle and, of course, our always popular Raffle Baskets. Be sure to get your tickets early, and this luncheon will afford you plenty of catch-up time with your former classmates.

We are proud to announce we will again be at the historic Seattle Yacht Club where there is ample parking and a lovely view. Please come join us for a good time. See page 14 for the registration coupon with more information or register online at [www.qagrizzlies.org/news](http://www.qagrizzlies.org/news). For questions call **Jeri Samuelsen '63** 425-791-5885.

## Board and Officer Changes

The Annual Meeting of the Association is held at the fall luncheon. This year's meeting saw two current board members reelected and one new member elected, all to three year terms. The three were chosen from a slate of five candidates.

Reelected were **Kim Turner '61** and **Anne (Messenger) Jordens '63**. Kim has served on the board since the fall of 1997. Anne has served since the fall of 2007.

2013 ALUMNI PRESIDENT  
**Sherry (Peck) Moody '66**

New board member **Scott Mayhew '68** attended Lawton Grade school and Catharine

Blaine Jr. High in Magnolia. While attending QAHS, Scott was on the Student Council, played in the band and lettered in baseball, playing for Coach Mel Waite. Since graduation Scott has served in the US Coast Guard and has had a 35-year sales career. In the last 30 years Scott has been fortunate enough to have been able to help organize most of the Class of '68's social functions. "Go Grizzlies".

NEW BOARD MEMBER  
**Scott Mayhew '68**

Retiring board member **Joe Samione '62** joined the board in 2010 and has been a lively presence and supporter of our events.

New officers are elected by the board at the meeting following the annual meeting. This year the board selected a new president, **Sherry (Peck) Moody '66**, replacing incumbent **Kim R. Turner '61**. Kim was elected to serve as Vice-President. Other officers remain as before (see board of directors on page 3).

## President's Message

**Sherry (Peck) Moody '66**

There's a new one in town. Yes, your alumni association has a new President. **Sherry Moody, class of '66**. I have been a board member for two years, but being a Grizzly, I've always been involved – Magnolia Days, my class reunions, etc. I realized a long time ago that we are a special breed; however our breed is phasing out. Do you realize that we have no classes in the 90's??? Heck, we barely have classes in the 80's! I would like to think that our high school days were memorable. A time of spreading our wings, of friendships that would last a lifetime, and starting to learn what and where the next chapter would take us. You know what? Many of us came back because we enjoyed our time at Queen Anne. Some of us spent six years there!

Each time the class of '66 starts planning for the next reunion, the same group gets together once a month. We potluck at someone's home and get to work. It's been a well-oiled machine, comprised of "kids" that have known each other forever and it is always a grand time. I know other classes operate in much the same way. The QA spirit lives and breathes through all of us, and we need to keep it alive and well.

I am humbled to take over the presidential reins from **Kim Turner '61**, who is now our Vice President. Kim's love of anything related to Queen Anne is very well known. His dedication to our school and the alumni association goes back to the closing of our school, and beyond. So, thank you, Kim, for your past and future involvement with Queen Anne High School and I look forward to continue working with you!

So, now with a new year, think about what you can do to enrich your future

with a little bit of your past. Your alumni association is working hard to keep you informed. The KUAY is published twice a year. We have a terrific summer picnic and we have two luncheons – spring (April 20, 2013 at the Seattle Yacht Club) and fall. Our most important function, however, is sponsoring scholarships for descendants of QA alumni. These have been made possible by gifts from many Grizzlies and supporters. Your alumni board meets monthly. Let me know when you would like to attend one or more; it's open to all. Our board minutes are also on line at [qagrizzlies.org](http://qagrizzlies.org), so check it out. If you would like to be involved in your association, please contact me or any of your board members. There is always a hungry (and friendly) Grizzly waiting for you!

## Editor's Column

Elizabeth (Weeks) Pankey '68

Here is my Happy New Year greeting to all you Grizzlies. What do you resolve to do in 2013? My focus is losing weight so my left hip can be replaced; it is worn down to bone on bone. My right hip was replaced about 4.6 years ago and is doing fine. By the time you read this I hope to have lost 30 pounds.

This issue of the KUAY is filled with interesting articles and news written by the editorial board: **John, Kim, Claudia, Doug and L.D.** Glo is still one of the best proofreaders I know. Thank you, KUAY team. We started early in December because my arthritis has flared up in my arms and it takes longer for me to edit photos for print and layout the newsletter. Only a few new cartoons were custom drawn.

The QAHSAA summer picnic was Wonderful! It was a glorious sunny day at Gas Works Park. My sister, **June (Weeks) Carney '65**, drove down from Bellingham and went with us to the picnic. The group photo of the Class of '67 (see p. 8) was taken by June on my digital camera. Other Grizzlies came from far and wide. Hope we are blessed with such a gorgeous day for this year's picnic.

**Scott Mayhew, Doug Streib** and I are all classmates of 1968. I enjoy working with both men, having worked with them on our 40<sup>th</sup> reunion and many '68 golf tournaments. We all had a good time at our class holiday party Dec. 15<sup>th</sup> at the Elks club bar. It was the same night the Seafair Pirates and Seafair Clowns were entertaining a party for disabled children and adults in the ballroom. Turns out several clowns are QA grads (*no big surprise*).

**Let's get more news from '70-'81 classmates. Let's celebrate your good news together.**

## 1930s: Virginia L. (Luther)

**Helmrich '30** died Sunday, July 15, 2012 near her home in Slippery Rock, PA., six months shy of her 100<sup>th</sup> birthday. She was the last surviving child of Queen Anne's first principal, Otto L. Luther and his wife Adah H. Luther. She graduated from Queen Anne and then the UW, where she received a bachelor's degree. She taught high school English and languages before her marriage to Harold Helmrich, who was head librarian at Slippery Rock College. Her husband and one of their three sons predeceased her.

**1940s: Lorna (Walker) Wabey '45** passed away in December, reports her daughter **Susan Wabey '69**. Lorna was the person who talked **Maxine (Amundson) McMahan '45** into putting on the Last Hurrah in 1981 when they learned that the school was closing. From this came our present day Alumni Association. Lorna's husband **Alex Wabey '42** passed on in 2007. **Loretta (Nachand) Sperling '48** has just moved to Bulverde, TX (near San Antonio). She would love to hear from her Warren Avenue class of January 1945.

**Donna (Lory) Draper '52**  
and her son Matthew at 2012 Easter brunch.

## 1950s: Donna (Lory) Draper '52

sent a short bio: her career was for many years a radio host and later TV in Reno and Las Vegas, respectively. Then she became an insurance agent; has traveled and missed her class 60<sup>th</sup> reunion, but stays in contact with QA friends. **Bill Rupp '53** sent a nice letter of appreciation for all "those whose

hard work and dedication go into putting out this quality publication." Thank you, Bill. **Sally Jeanne (Dailey) Wilkerson '53** is sending, via her daughter Susan, a majorette outfit which she wore as a Grizzly and is giving to our memorabilia collection. **Les Bleiler '53**, now living in Santa Clarita, CA, came north for the summer picnic at Gas Works Park.

**Betty (Langley) Hanson '54** and husband Ray celebrated 50<sup>th</sup> Anniversary in July.

**Betty (Langley) Hanson '54** talked with our editor earlier this year and sent us a photo of her 50<sup>th</sup> wedding anniversary with husband Ray. They live in the Port Angeles area where they raised four children. She was a concert master in local symphony orchestras and a music teacher for thirty years in Port Angeles Schools. **Carol (Dent) Poppe '56** encountered Dave and **Lynne (Maxeiner) Radke '61** on a tour of Italy two years ago. Now they get together each summer. Both ladies took ballet from Mary Ann Wells in Seattle. Small world. **Marian (Hailey)-Moss '58** had a great "street-book-signing" in New York City earlier this summer. She now has multiple titles out there for sale. **Gordon Fouts '58** represented our Queen Anne High School in the Magnolia Days Parade last August. His gorgeous red Corvette carried a QAHS banner for all to see.

## New FACE FOR THE MEN OF QUEEN ANNE

By Dee Hawkes '54

You could say it took a long time for the MOQA (Men of Queen Anne) to realize that women wanted to become involved in their activities. It sounds promising that future golf tournaments and the traditional Christmas Luncheon will also have ladies stepping up to the starting line. We have changed the organization's name to **Men and Women of Queen Anne (MWOQA)**. Now, we'll have teamwork from the get-go.

Last September, another highly successful **Bob Houbregs Golf Tournament** was held at the Everett Golf and Country Club. Queen Anne golfers and their friends played to raise money in support of athletic scholarships for the families of QA graduates. If you are a QA graduate who has a relative who plans to play college sports, then send a request for information to MWOQA, PO Box 294, Bothell, WA 98041.

Bob's tournament will return to Everett to be played on **Monday, September 16, 2013**. So save the date and come to play, or hang out for the evening's awards banquet, which is decorated in QA colors. The buffet dinner draws raves, and you need to be there to see which golfers win the prizes.

## MOQA Lunch Honors Peter Jobs '58

By John Hennes '51

A large crowd gathered for the 39<sup>th</sup> annual Men of Queen Anne (MOQA) Christmas Luncheon on Thursday, Dec. 27, 2012 at the Rock Salt Steakhouse on Lake Union. There were over 115 Grizzlies, including a number of women, at the annual event. Attendees spanned QA years from 1934 to the 1970s. **Dee Hawkes '54** again emceed the affair. Attending the lunch were coaches **Walt Milroy, Walt Bone, Bob Morris** and Hall of Famer **Bob Houbregs '49**. Two National Basketball Hall of Fame basketballs, autographed by Bob, were raffled off to **Kim Turner '61** and **Stan Brand '62**.

**Peter Jobs '58** was honored with the **Edo Vanni Spirit Award**. The award was presented by **Ralph Vanni '54**, nephew of the late **Edo Vanni '37**. Peter is recovering from a stroke and was surrounded by his wife Susan and family members to receive the award. Peter was a UW and Washington State tennis champion in the past and won the Washington State Senior Tennis title a couple of years ago at age 70.

The MOQA **John Eicher '64 Scholarship** for 2012 was awarded to **Jacob Ayers**, grandson of **Dick Bowe '57**. Jacob is attending the University of Redlands in southern California, where he plays football and baseball.

## QA Boys Club: Champions of 1944

Boys Club football was a big part of the Seattle sports scene in the 1940s. Before pro-sports, before big time TV college sports, high school kids had nowhere to play once they left school. Boys Club teams filled the gap for many kids and, during the war years, gave them something to do while they waited to go in the service.

### **1944 Champs** *continued from page 5*

**Chad Manning '44** (known as Tad in his school days) tells us about his team, the Queen Anne Boys Club of 1944.

*(see photo on page 9)*

"We played the Notre Dame Box Formation – Knute Rockne to Jim Phelan to John Cherberg to Don Sprinkle. The Quarterback blocked. The Halfbacks ran and passed and the Fullback plunged. We had a great line that gave up only one touchdown in ten games, including an All-Star game. We had two left-handed passers, one right-handed passer, one scatback and a fine kickoff and P.A.T. kicker. We had a 10-0-0 record and outscored our opponents 230-7.

"Some of the players were in the Marines, Army and Navy, and came in from Bremerton, Fort Lawton and Fort Lewis. Some were still in high school, some at the U of W, Seattle College, and the rest were waiting around to be drafted."

The team was coached by **Don Sprinkle '35**, in his days before the Ramblers (1947-66). The Queen Anne Boys Club finished either champions or second from 1944-48. Chad still gets together with some of his teammates from those years.

The Class of '47 held its 65th reunion on Sunday, September 9, 2012 at the Seattle Yacht Club. We had about 60 alumni and guests attending and everyone seemed to have enjoyed the event. Through the generosity of our classmates, the class committee was able to donate over \$500 to the alumni association for a scholarship and some help with the general fund. Thank you classmates for your help.

## Class of '52

Celebrates 60 Years

By Liz (Winkler) Adams '52

The Queen Anne Class of 1952 had their 60<sup>th</sup> reunion on June 23, 2012. The 60<sup>th</sup> was special just because it was the 60<sup>th</sup>. It was held at the Nile Golf and Country Club in Mountlake Terrace, where we had our Junior and Senior Proms. We drove and drove out into the “country” to attend the proms and wondered how anyone could live so far out in the country.

The committee members were Chairman **Gerrie (Rothaus) Brown** (recently deceased), **Dick Bean**, **Barbara (Bertsch) Eckley**, **Marilyn (Darling) Kunz**, **Janet (Farnham) Sorensen**, **Marty Hightower**, **Terry Howard**, **Deane (Hullin) House**, **Zoanne LeRoy**, **Pauline (Petersen) Conradi**, **Sandra (Segale) Egtvet**, **Dick Vanderpool**, **Phyllis (Wiese) Cass**, and **Liz (Winkler) Adams**.

Our name tags had our senior class picture on them, and we enjoyed looking at each other’s tag to see how much we had changed or with some, not too much change.

A class directory was handed out so that we could keep in touch and we honored those who are no longer with us.

Even though we had only 96 there, a wonderful time was had by all. One of the things we did was to have a trivia questionnaire about things that occurred at the school and who did what. Each table had to come up with the answers, and a prize was given for the most answered correctly. That was a lot of fun, and along with going around the tables asking each person to tell something that they did or something that they remembered about the school, it created great conversation among us.

In looking back, this reunion will be remembered with nostalgia and a happy time.

## 2012 QA Annual PICNIC TIME

By Claudia (Kettles) Lovgren '65

The summer QA picnic at Gas Works Park was held on a stunning Saturday (August 25) on the shimmering sailboat-filled Lake Union. All the superlatives are because we were shocked by the amazing weather that day. The great Grizzlies were lined up at Al’s grill with **Kim Turner '61** and **Tim Moody '66** “manning” the spatula and **Kathryn Gaylord '63** “girling” the hot dog grill. The rest of the association members were at their other posts. Plenty to eat besides the burgers and dogs, too. No growling stomachs here!

The class of 1967 got caught up at the picnic during their 45<sup>th</sup> reunion. Since that was my dear departed (July 2008) brother David’s class, I got in on some of the “class times”. One in particular included my participation, thanks to the fun reminder from **Kim Peters**.

Thank all of you many Grizzly grads that came to the summer get-together. Come out of your dens and join us next summer! (No guarantee on the weather ...). Check the website for date and details.

## Kathi Goertzen 1958-2012

**Kathi Goertzen '76** passed away August 13, 2012 at age 54 after 14 years battling with recurring brain tumors. She was a part of the Seattle news scene for over thirty years as part of KOMO TV and was always warmly regarded for her honesty, integrity and caring. She was heavily involved in civic charitable activities and was a staunch booster of WSU Cougars. Queen Anne alumni will miss her spirit and her inspiration. A foundation in her name has been established at **KathiGoertzen.com**.

## 55<sup>th</sup> Reunion for Class of '57

By Janet Mutter '57

The Queen Anne High School Class '57 held its 55<sup>th</sup> reunion on Saturday, August 11, 2012 at the Nile Country Club in Mountlake Terrace, WA. **Jim Dahlbeck** was the very entertaining master of ceremonies. The reunion also included three additional functions on August 10<sup>th</sup>: a morning of golf at the Tacoma Country and Golf Club sponsored by **Dick Bowe**; a no-host girls' luncheon at McCarthy's Bar and Grill arranged by **Barbara Thompson**; and an evening social at 7:30pm at the Embassy Suites in Lynnwood hosted by the reunion committee. The committee is in the process of planning scholarship donations, additional functions, and a class cruise in 2014.

## Class of '62 Celebrates 50 Years

By LD Zobrist '62

The Class of 1962 celebrated its 50<sup>th</sup> reunion on the weekend of September 7-9, thanks to the incredible work of **Chair Nancy (Welden) Williams** and a committee of over 20 classmates. The Friday night "warmup" event was held at the Ballard Elks on Shilshole. Over 200 classmates and guests participated in this free event, and fun was had by all. There were many easels set up with photos and other memorabilia prepared by **Linda (Willis) Dagg** for the classmates to view and enjoy. The food buffet was plentifully supplied by **Lynnea (Pearson) Manning** and her team. The decorations for this event and the Saturday event were ably prepared and presented by **Anina (Tardif) McCormic** and her helpers.

The Saturday banquet was held at the Seattle Design Center Atrium in the Gerogetown area, carefully orchestrated by **Burt & Ralene Walls** with the help of many others. Over 270 classmates and guests came to the party. Individual photos were taken next to a period 1957 Ford Thunderbird as folks arrived. Music was played while classmates had a chance to get reacquainted and up to date on life events. A group photo was taken just before dinner and it was like herding cats getting everyone lined up. During dinner, the program showed a video of hundreds of photos of classmates from different periods of

our lives. After the video, **Elvis** entered the building to sing some special songs provoking our memories from good old Queen Anne High. The evening ended all too soon for attendees to have gotten a chance to see everyone there.

*Class of '62 celebrated their 50th anniversary along with the Seattle World's Fair.*

Sunday was a chance to get a tour of the Seattle Center during its 50<sup>th</sup> Century 21 reunion celebration, set up by **Barbara (Amies) Lyons**. Docents from MOHAI guided over 75 of us around the Center discussing the history and architecture. Many of us met for lunch at one of the many places to eat, for a chance for one last visit before we all went our separate ways. Classmates had such a good time at the various events, they repeatedly told the committee to start planning for the next reunion in five years. Nancy, exhausted from all the work and fun, was surely thinking, "Easy for them to say."

## OLD DOG HAVEN REVISITED

by Glo (Gleason) Holcomb '46

**Phil '63 and Sandy (Johnson) '65 Krutsinger** were featured in the Feb. 2011 KUAY, describing the loving care they provide for abandoned, old and needy dogs through Old Dog Haven, a non-profit organization. Northwest Prime Time Magazine published a story this spring by Christie Lagally titled "Sandy, Phil and Old Dog Haven" (May 14, 2012). It's a love story that began at Queen Anne High School and was lost while Phil spent 30 years in the Navy. They met again at a QA class reunion. Sealed with a kiss, a ring and wedding, Phil became Sandy's helpmate. They always have a funny tale or a wagging tail to tell.

*Phil '63 and Sandy (Johnson) '65 Krutsinger with a few of their dogs*

City Lights Seattle Magazine also ran an article by Lagally called "Among the Animals: Making Interior Designs Pet Friendly". Christie visited the Krutsingers' home to see how they managed nine dogs and a cat. They have a decor that's both pleasing and animal friendly by using baskets for toys, etc. to help keep things attractively organized. In addition, by using durable and easy to clean furnishings, they keep it a happy family.

### Ferocious Friday Night Lights

By Claudia (Kettles) Lovgren '65

Along with the Seattle World's Fair 50<sup>th</sup> Anniversary in 2012, we also noted the 50<sup>th</sup> Anniversary of the Columbus Day storm of Oct. 12, 1962. What I remember most was returning from the Queen Anne football game in West Seattle to Magnolia Village to find a whole lot of debris and just a few lights. KING 5 had a special on this devastating and dangerous storm but **Ed Howey'65** has related his version for us QA alums as follows:

"I was a sophomore and went to the QA football game that night, I think, at West Seattle HS stadium. When the winds hit, it got exciting. As I recall the wind was coming from behind the stadium and we didn't realize what was happening until the light poles started swaying back and forth. I don't remember if the game was called or not or who we were playing, but I think most of the lights stayed until we got out.

"Not having any bearing on QAHS aspects of the storm, but my mother, now gone, was at a Century 21 art auction in the basement of one of the fair buildings on Mercer and swore that the lights were on when she bought one of what I thought was the ugliest paintings I'd ever seen. But it grew on me and I still have it hanging on the wall."

Fortunately, the only thing we lost that night was the game: Garfield 7-6. Ed's bird painting from 1962 can best be described as a Groucho Marx precursor to Big Bird. Glasses. No cigar.

### Our Boys in the Service— WWI

By Kim Turner '61

Many of you will remember the bronze plaque which was on the wall opposite the main entrance to Queen Anne High School. This plaque was installed at Queen Anne in 1920 and honored those Queen Anne alums who served in World War I from 1917-1919. We have learned that Aaren Purcell, current Archivist and Records Manager for the Seattle Public Schools, has retrieved it from storage and placed it on a prominent wall in the archives center (the former U.S. Post Office Annex on South Lander Street). The plaque is on the third floor. To view it, take the elevator to the third floor, turn left and down a few steps, and there it is. It is five columns wide, with an inset near the base which lists those who gave their lives in action during World War I. The photo shows what it looked like in 1920. Today, the bronze plaque shows the patina of 92 years of honoring our school's youth.

## QA Marines Fund Memorial Brick

Overlooking the National Museum of the Marine Corps, just outside the Marine Corps base at Quantico, Virginia, is the winding pathway of "Semper Fidelis Park". The path is comprised of over 16,000 brick stepping stones engraved with dedications and messages. **Fred Lillian '49**, who lives in Kirkland, has provided this story and a photo of a brick stepping stone purchased by Marine Alumni of Queen Anne High School. These alumni were part of VMF-216 (Marine Air Reservists based at Sand Point) and the 11<sup>th</sup> Infantry Battalion (based at South Lake Union) called up to active duty at the start of the Korean War, as well as some Regular Marines. **Bob Waitt '49** helped organize the submittal for the brick.

These Marines and other Queen Anne classmates who served in various services during the Korean War meet on the first Wednesday of every month at the Yardarm Pub & Broiler in Des Moines for lunch and "old times sake," noted Fred.

## Fall Luncheon 2012:

### Celebrating 50 years of Century 21

By Kim R. Turner '61

A gathering of around 100 alums and former faculty enjoyed the annual Fall Luncheon, celebrating the 50<sup>th</sup> anniversary of the Seattle World's Fair. Wonderful table decorations representing the Coliseum (Key Arena), Space Needle and International Fountain were provided by our wonderfully talented **Ruth (Hanson) Ghormley '42**, assisted by **Claudia (Kettles) Lovgren '65** and **Glo (Gleason) Holcomb '46**. Glo was

also in charge of the program, her last as chair of the luncheon committee.

**President Kim Turner '61** once again served as emcee, and was one of those elected to the board again during the annual election of board members.

**Anne (Messenger) Jordens '63** was also re-elected; and **Scott Mayhew '68**, was the third person elected from among the nominees.

**Bob Seay '74** and his wife **Linda** provided a medley of songs from the era of the 1962 Fair, which changed Seattle so completely. The raffle baskets went to **Marv Hartley, Marilyn (Rogers) Redman '52, Marilee Marshall (Mrs. John Marshall '59); Patty (Neville) Smith '58, Kim Turner '61, Craig Smith '69, Cheryl (Carlson) O'Bryant '67, and Nancy (Morrow) Wakefield '59.**

**Jackie (Moore) Zobrist '63** displayed an elaborate hand beaded dress made by her mother to wear to the Fair. An architecturally exquisite 3 foot replica of the Space Needle was donated by the **Class of '62**. This had been part of their 50<sup>th</sup> reunion theme. It was auctioned off to **Craig Smith '69**.

Everyone enjoyed the fun and comradeship as well as the excellent luncheon provided by the Seattle Yacht Club, which has been our venue of choice now for several years. The weather was beautiful for October 6<sup>th</sup>, and held until later in the month when the deluges of rain began. Happy 2013 to all Grizzlies, alums and staff, faculty and all!
